**Conference Champion - \$3,000**

Your team is committed to investing in positive youth development! Your sponsorship as a Conference Champion will support every aspect of our youth-led, youth-centered *Be You Boldly!* conferences. THANK YOU!

**Resource Rockstar - \$1,250**

As a Resource Rockstar, your team is sponsoring a FAB workshop (there are 11 this year), which delivers 1-hour of meaningful youth-led & youth-centered content plus provides take-home resources to all attendees. Each unique workshop is delivered by FAB members 4 times to groups of 20 students.

**Accessibility All-Star - \$1,000**

Like us, your team believes that youth can (and do!) thrive when they have access to safe & empowering spaces. As an Accessibility All-Star, your team will underwrite full and partial scholarships, ensuring that all who wish to attend may do so at no financial hardship

**Action Activator - \$500**

As an Action Activator, your team is sponsoring a conference Action Spot, which provides hands-on learning activities to all conference attendees. Past Action Spots have included "How to write your legislator!" and "What makes you YOU?"

**Brilliance Booster - \$250**

Coalition building is a Hardy Girls program fundamental. When youth meet each other through our programs, they're given the opportunity to connect with peers – one or many – on things that matter most to them. As a Brilliance Booster, your team is underwriting the opening and closing FAB & youth attendee coalition-building sessions.
