

March 2023

Dear Community Supporter,

We are excited to invite your company to be a sponsor of the 2023 Be You Boldly! Conferences. Your company's sponsorship will make this empowering and supportive event accessible to upwards of 300 girls and nonbinary youth across Maine, and we cannot do it without you.

We're hosting three conferences for girls and nonbinary youth led by the nearly 30 high school members of our Feminist Action Board (FAB). Be You Boldly! Conference events in Bangor, Waterville, and Portland will include workshops on topics such as self-care, healthy relationships, being an LGBTQ+ ally, and more!

In 2022, our youth-led Spring Conferences were a fabulous success, with over 200 youth attendees across the Portland and Waterville areas. Attendees from 4th to 8th grade shared...

7TH  
GRADE

"The conference made me feel that I could meet new people and not be nervous."

4TH  
GRADE

"I learned photoshop is so fake."

6TH  
GRADE

"Before today, I didn't know there were so many people like me."

TOO MANY  
RESPONSES  
TO COUNT

"I want to do this again next year!"

Sponsorship at the \$1000 level will directly support a FAB-run workshop, each of which delivers 1 hour of meaningful youth-led, youth-centered, and youth-informed content to the attendees. Sponsorship at the \$500 level will directly support a conference Action Spot, which provides hands-on learning activities to all conference attendees! Past Action Spots have included "How to write your legislator!" and "Talk back to media!"

All sponsors will be publicly acknowledged on our website, through our social media channels, in our e-newsletter (a collective reach of over 14,000 individuals), and in our annual report. Your company's sponsorship will also be acknowledged with gratitude at our Raise for the Ruckus! fundraiser, which will bring together more than 150 adult supporters, politicians, community influencers, and business owners for an evening of fun and social connection in late May.

Girls and nonbinary youth in Maine are counting on you for support! Your sponsorship will energize and empower even more young people in our state with knowledge, critical thinking skills, and a platform to drive social change to transform our world. Can we count you in?

With gratitude,

Adrienne Carmack, Executive Director
